English, French

Methods of Instruction
On-campus, Online

The AEC in Transportation Logistics is a program designed to train professionals qualified to hold various positions related to transportation logistics. Through practice-focused instruction and a workplace internship, students develop practical skills in planning, coordination, and management of transportation operations. Upon completion of the program, graduates will be able to contribute effectively to the supply chain in transportation, distribution, or import-export companies.

Career Prospects

The job outlook will be moderate for Production and Transportation Logistics Coordinators in Québec for the period 2024 to 2026.

Career Fields

- Logistics Coordinator
- Logistics Technician
- Logistics Assistant
- Dispatcher
- Customs Clearance Technician
- Account Manager
- Export/Import Transportation Agent
- Logistics Agent
- Multimodal Transport Manager
- International Transport Manager
- Order Picker / Order Preparation Clerk
- Receiving Manager
- Shipping Manager
- Transport Planner

Diploma and Accreditation

This Attestation of College Studies (ACS) is approved by the ministère de l'Enseignement supérieur of Québec and is internationally recognized. ACS programs are part of continuing education and destined primarily for adults seeking to add value to their skill set or reorient their career.

A student without a Certificate of eligibility (CEO) who begins an ACS program in English will be required to demonstrate sufficient knowledge of French, as defined by the regulations of the Ministère de la Langue française, in order to graduate.

Montréal
2000, Sainte-Catherine Street West - 514 939-2006

For this program, you'll need to use your own computer equipment.

SEE REQUIREMENTS

Admissions Criteria

Exceptions to these admission criteria may be applied. Every application is reviewed by the College. To be eligible for acceptance into an ACS program, applicants are generally required to meet one of the following criteria:

- Have obtained a Secondary School Diploma (SSD).
- Have obtained a Diploma of Vocational Studies (DVS) and have successfully completed the following prerequisite courses:
  - French at the Secondary 5 level;
  - English at the Secondary 5 level;
  - Mathematics CST Grade 4 (Math 436 under the former curriculum).
- Have obtained training deemed equivalent or sufficient by LaSalle College.

List of Courses

ACS programs are based on DCS program curricula, but do not have general education courses like French, English, or Philosophy.
