Become an active international entrepreneur with LaSalle College Montréal's ACS in International Commerce Import-Export. Work as an Import-Export manager, following global trade industry standards and techniques as well as business strategies for customs regulations. FITT accreditation guarantees solid training based on the authentic experiences of Canadian companies.

Career Prospects

Employment prospects for international trade professionals in Québec are positive, driven by increasing diversification and specialization within the region's industries. Due to evolving global markets and technological advancements, these professionals benefit from the growing demand for supply chain management and digital commerce.

Career Fields

- Transport Pricing Manager,
- Import-Export Coordinator,
- Customs Project Manager,
- Import-Export Consultant,
- Import-Export Entrepreneur.

Diploma and Accreditation

This Attestation of College Studies (ACS) is approved by the ministère de l'Enseignement supérieur of Québec and is internationally recognized.

ACS programs are part of continuing education and destined primarily for adults seeking to add value to their skill set or reorient their career.

A student without a Certificate of eligibility (CEO) who begins an ACS program in English will be required to demonstrate sufficient knowledge of French, as defined by the regulations of the Ministère de la Langue française, in order to graduate.

Montréal
2000, Sainte-Catherine Street West - 514 939-2006

Laval
1595 Daniel-Johnson Blvd. Suite 200 - 514 939-2006

Admissions Criteria

Exceptions to these admission criteria may be applied. Every application is reviewed by the College. To be eligible for acceptance into an ACS program, applicants are generally required to meet one of the following criteria:

- Have interrupted their full-time studies for at least two (2) consecutive semesters or one (1) full school year; or
- Have followed post-secondary studies for a period of at least one (1) year; or
- Have a Secondary School Diploma (SSD) or a Diploma of Vocational Studies (DVS), and the program allows them to receive a technical training that is not available in a DCS program; or
- Have an equivalent education or an instruction deemed sufficient and meet the admission criteria set for college studies.

List of Courses

ACS programs are based on DCS program curricula, but do not have general education courses like French, English, or Philosophy.

Concentration Courses

- Global Entrepreneurship (45h)
- International Trade Financing (45h)
- Global Value Chain (45h)
- Feasibility of International Trade (45h)
- Information Technology for International Management (45 h)
