Manage projects from A to Z with this ACS in Project Management as you supervise and guide employees every step of the way. Stand out as a project manager by independently leading your company's activities. Completing this program helps prepare you to sit the CAPM (Certified Associate in Project Management) certification exam.

Career Prospects

According to Job Bank, employment projections for Project Managers show an increase in growth and many new positions created.

Technological advancements and innovative ideas lead to Project Managers having diverse and versatile roles across various sectors, including construction, information technology, and energy.

Career Fields

- Manager of a Marketing Project,
- Manager of an Engineering Project,
- Director of a Multimedia Project,
- Director of an Information Technology Project.

Diploma and Accreditation

This Attestation of College Studies (ACS) is approved by the ministère de l'Enseignement supérieur of Québec and is internationally recognized.

ACS programs are part of continuing education and destined primarily for adults seeking to add value to their skill set or reorient their career.

A student without a Certificate of eligibility (CEO) who begins an ACS program in English will be required to demonstrate sufficient knowledge of French, as defined by the regulations of the Ministère de la Langue française, in order to graduate.

Admissions Criteria

Exceptions to these admission criteria may be applied. Every application is reviewed by the College. To be eligible for acceptance into an ACS program, applicants are generally required to meet one of the following criteria:

- Have interrupted their full-time studies for at least two (2) consecutive semesters or one (1) full school year; or
- Have followed post-secondary studies for a period of at least one (1) year; or
- Have a Secondary School Diploma (SSD) or a Diploma of Vocational Studies (DVS), and the program allows them to receive a technical training that is not available in a DCS program; or
- Have an equivalent education or an instruction deemed sufficient and meet the admission criteria set for college studies.

List of Courses

ACS programs are based on DCS program curricula, but do not have general education courses like French, English, or Philosophy.

Concentration Courses

- Project Management Fundamentals (90 h)
- Project Management Software (45 h)
- Project Management Practice (45 h)

* The College reserves the right to substitute certain courses.
