Thrive in the world of digital editing by refining your skills with the ACS in Video Editing. Learn the basics of television and digital editing, compositing, and audio mixing. In addition to AVID Media Composer instruction by a certified instructor, you will also learn to use the latest software such as the Adobe suite (Premiere, After Effects, Photoshop, Illustrator). Join the ranks of public access TV, commercial, corporate, and web editors.

Career Prospects

According to Job Bank, today's digital and viral video landscape has created a massive need for video editors. The use of videos for marketing is becoming increasingly prevalent on the web. Professional video editing caters to client needs, such as content marketing, influencer content, and amateur advertising.

Career Fields

- Video Editing Technician,
- Video/Audio Editor,
- Image Retoucher,
- Television Production Technician.

Diploma and Accreditation

This Attestation of College Studies (ACS) is approved by the ministère de l'Enseignement supérieur of Québec and is internationally recognized.

ACS programs are part of continuing education and destined primarily for adults seeking to add value to their skill set or reorient their career.

A student without a Certificate of eligibility (CEO) who begins an ACS program in English will be required to demonstrate sufficient knowledge of French, as defined by the regulations of the Ministère de la Langue française, in order to graduate.
