

QUALITY POLICY OF THE AUTHORIZED CENTRE FOR HIGHER ARTISTIC EDUCATION IN DESIGN LCI BARCELONA

The Management of the Authorized Centre for Higher Artistic Education in Design LCI Barcelona considers quality an essential factor for the development of the Centre's academic activities and for ensuring that its students acquire the competencies, aptitudes, and skills inherent to their degree in order to achieve excellence in their professional careers.

LCI Barcelona will use all available technical, economic, and human resources to ensure strict compliance with legal regulations and the requirements established within the framework of the European Higher Education Area (EHEA).

To this end, a Global Quality Manager has been appointed to ensure compliance with the Centre's quality policy and to maintain its effectiveness.

The objectives of the LCI Barcelona Higher Education Centre are:

- To provide all students and society as a whole with an education aimed at excellence, through an academic offering aligned with the current needs of the professional world.
- To promote a culture of learning, as well as the personal development and growth of our students.
- To provide all the teaching and administrative staff of the Centre with continuous and appropriate training so that they acquire the necessary competences for the proper performance of their duties.
- To ensure quality and foster an institutional culture oriented towards continuous improvement.
- To periodically review the internal quality system to guarantee its effectiveness.
- To achieve the commitment of all the Centre's staff, who understand and accept the established quality policy.

The Management Team of the Centre, together with the Global Quality Manager, is committed to periodically reviewing the quality policy and objectives to ensure and maintain their effectiveness.

Sílvia Viudas,
General Director of LCI Barcelona
